## MARY PICKFORD AT GRAND TODAY

World Famous Screen Star is Featured in "A Girl of Yesterday."

"A Girl of Yesterday," the Famous Players Film Company's latest Paramount feature at the Robinson Grand today, features Mary Pickford in the role of a modest little girl who starts society by her wonderful attractiveness even in the clothes of a by-gone period. The film, which was taken in and about San Francisco, introduces on the screen some of the Golden Gate's best known society leaders who appear in the scenes which depict as no other film production has ever done the real life of the society belle amid her steam yachts, motors, tennis courts, golf links and other modes of entertainment, considered indispensable to the health and happiness of My Lady of the Four Hundred.

Tomorrow, the superb emotional actress, Mme. Petrova, will be presented in a powerful photoplay entitled "My Madonna."

A city drummer who "makes" the small towns is the goat in a Beauty comedy, scheduled for release on the Mutual program.

"The Heart of the Blue Ridge," featuring Clara Kimball Young, is the main offering of the Orpheum theater today. The length of this play is five acts all of which are masterfully presented and wonderfully photographed, the story being laid in old Kentucky.

### HOW TO GAIN FLESH

Remarkable Statement of a Woman Who Was Nothing but Skin and Bones.

Laugh and grow fat is a homely saying, but Mrs. Elizabeth L. Morris, of Hammond, La., tells of a more reliable method. She says:

"I cannot say enough in praise of Vinol, for it saved my life. I was weak, nervous, run-down, could not sleep, was unfit for work and was nothing but skin and bones. Three doctors had all failed to help me. One day I saw Vinol advertised, took courage and bought a bottle, and it soon made me feel better. I continued its use and such a change! I have regained my strength, flesh and health, am perfectly well, and the doctor was surprised to see such a change in me in such a short time. Elizabeth Morris, Hammond, La."

The reason Vinol proved such a wonderful strength creator in Mrs. Morris' case was because of the tonics of iron, beef peptone and the extracts of fresh cod livers, without oil, combined in a pure native tonic wine, which makes Vinol a most wonderful tonic. ## MURDER OF PRIESTS IN MEXICO IS VERY FRANKLY ADMITTED

By Tumulty But He Says There is No Proved Record of Outrages.

WASHINGTON, Nov. 29.—The administration's reply to those who criticize the recognition of the Carranza government in Mexico because of charges of outrages upon priests and nuns of the Catholic church has just been made public here in a letter by Secretary Tumulty to Dr. James J. McGuire, of Trenton, N. J., who recently wrote to the White House for an explanation of what he characterized as "widespread criticism."

Secretary Tumulty advised Dr. McGuire that the files of the state department failed to disclose any official record of a single proven case of outrages upon nuns, and he included in his letter a statement by the Catholic vicar general at Mexico City, which while disclosing the shooting of priests, and the expulsion and imprisonment of others, declared there had been no violations of nuns in that district.

Secretary Tumulty said in all wars the horrors of the conflict have been kept alive by those on the losing side but that it should be the duty of all citizens of both the United States and Mexico "to contribute in every manner to the early rehabilitation of the nation so long torn by civil strife and to avoid keeping open the wounds."

"Counsel and sympathy are needful and would be merited now, because they would be of wonderful

efficacy in uniting the people of Mexico in the work of reconstruction," wrote Mr. Tumulty. "Efforts to arouse fanatical feelings among them will have the effect of opening anew the wounds which should be healed, and of treating an open sore to torture that poor people as long as their minds are kept inflamed against their brethren."

The secretary also called attention to the recognition of President Juarez by the Buchanan administration following "the bloodshed of all civil wars ever waged in Mexico," marked by "all the bitterness and cruelties of a religious war."

Emphasis was laid on the recognition of Carranza by the Latin American countries which joined in the Pan-American peace conferences. All of these Latin American countries, Mr. Tumulty pointed out, were Catholic nations.

Finally, a statement was reproduced which was given the state department by Eliseo Arredondo, the Washington representative of General Carranza, last October, pledging the Carranza government to respect everybody's "lives, property and religious beliefs."

Nuzum, and the latter was a brother of W. F. Nuzum. The two sisters married two brothers. Mrs. Louise Nuzum died in the year 1878 and in 1880 Mr. Nuzum married Miss Ella Ryan, of Parkersburg, who survives him.

Between Morgantown and Local Bowlers is to Be Rolled at Morgantown Alleys.

A three-man duck pin team, selected from the best bowlers of the city, went to Morgantown Monday to roll a three-man team of that city the first five games of a ten-game contest. The remaining five games will be rolled here next week.

Clark Ingram, Lee Johnson and Bert Gain compose the local team and if Morgantown has a team that can defeat the local team it will have to go some. Much interest is being shown in the contest, as this will be the first appearance of the Morgantown bowlers on local alleys this season.
